

Survey on Mental Health or Substance Use Needs in Wisconsin

The Department of Health Services' (DHS) Bureau of Prevention, Treatment, and Recovery (BPTR) is seeking public input about the mental health and substance abuse service needs in Wisconsin. We want ideas from diverse perspectives. We are asking anyone who has an interest to provide input through a few short questions. Please take a moment to provide your considered responses to this simple questionnaire and return it to the designated location. Be as specific as you can. Should you wish to elaborate on your perspective, please feel free to attach more sheets, email (Brad.Munger@Wisconsin.gov), or mail your responses to Brad Munger at the Department of Health Services (DHS/DMHSAS BPTR, Rm 851, 1 W. Wilson St., Madison WI 53703). Thank you for taking time to provide your valuable perspective!

1. Which of the following groups are you most closely affiliated with? (Please check only one)

☐ Consumer ☐ Family Member ☐ Advocate ☐ Other, please describe: _____

Or an employee of: ☐ County Agency ☐ Tribal Agency ☐ Private Agency

2. Which of the following issues are you addressing in your responses to the questions below? (Please check only one): ☐ Mental Health ☐ Substance Abuse ☐ Both Mental Health & Substance Abuse
